Principal’s Report
Woohoo!!! We did it!! I have never been so proud to be Principal of our school as I was last Friday at assembly when I was able to share the amazing news regarding the start to the year we’ve had as a whole school. Every class achieved the Class of the Week benchmark! 2 Double Whammies! 7 Triple Whammies! 3 classes with 100% attendance! 243 green and only 4 yellow students!

It really was another day in Paradise and I look forward to our school continuing to build on this brilliant start. Keep on keeping on!!

Our class meetings commence this week and I encourage everyone to come along and meet your child’s teacher and see what we have planned for your child this year. It is a great opportunity to share in your child’s educational journey and be involved in the school. My thanks to Hayley, Juanita, Heidi, Aneta, Cathy and Jodie who will be representing the P&C at these meetings and providing information about this organisation and how much they support the school.

Our first school carnival for the year kicks off on Tuesday at the Broken Hill Regional Aquatic Centre. We trust the weather will suit and all our primary aged students will be attendance. Miss Reminis has been working hard behind the scenes to make sure the day goes smoothly.

Broken Hill North Public School is 125 years old!!
A public meeting to form a committee to organise the celebrations is being held on Wednesday 25th February at 7pm in the school hall. Calling all ex-Northies

*** CANTEEN CLOSED ON MONDAYS ***
Last week our school’s democratic processes were in play and our School Representative Council and Sporting House Captains were elected. Congratulations to the following students on their success in the elections and my thanks also to all students who put themselves up for election.
