Dates to Remember

Swim School each day this week
1. Mon 7th Mar - Staff meeting – HOW2Learn focus
2. Fri 11th Mar - School Assembly @ 9am hosted by 2/3B

Principals Report

Thank you for your support and co-operation with last week’s extremely hot weather. It certainly resulted in some changes to routines but by and large we managed to get through it. Let’s hope this week is a bit cooler.

Thank you to the parents who came along to the class meetings for Kindergarten last week.

Our Stage 2, 3 and Stage 1 classes are on this week and I really encourage families to come along and be part of their child’s educational journey.

Another significant event is on the calendar this week with our P & C Annual General Meeting being conducted on Tuesday 1st March at 7pm in our Community Centre. Our Family Fun Evening saw a huge number of families connecting with our school and we’re hoping to see a great roll up for this meeting. Come along and be part of the team.

Thank you to our swim team who competed at the Barrier Carnival on Thursday afternoon and to our staff members who volunteered to help out with the organisation.

Don’t forget about our Swim School which commences in Week 6 and runs for two weeks. After seeing our kids at our swimming carnival this is even more important as far too many of our students lack confidence and skills in the water. It would be greatly appreciated if permission notes and money could be returned as soon as possible to assist in the organisation of this activity. Once again, thanks to the generosity of our P&C the cost is halved through their sponsorship.

HOW2Learn

One of the major professional activities we have in place is HOW2Learn which is a research based package aimed at increasing our teaching skills and improving outcomes for our students. A huge focus at this stage of our learning journey is the impact of mindset in the teaching / learning process. Each week I will endeavour to propose aspects of mindsets and challenge you to take it into consideration in your role as parents / carers.
Proposition 2 – How do you rate your efforts in and out of the classroom?

<table>
<thead>
<tr>
<th>Fixed Mindset</th>
<th>Growth Mindset</th>
</tr>
</thead>
<tbody>
<tr>
<td>That will do!</td>
<td>Is this really my best effort?</td>
</tr>
</tbody>
</table>

Which mindset is most likely to result in learning? Change the words, change the mindset!

Another significant event on our yearly calendar occurs this Friday with our SRC Induction ceremony. This assembly commences at 10.25am and those families involved are invited to stay for a morning tea at the conclusion of the ceremony in our Community Centre. It is another great opportunity for families to come along and be involved as we recognise the student elected leaders for 2016.

Attendance Snapshot
Term 1 Week 4
Target 91%
Actual – 92.25%

</table>

Great to see some improvement from last week! It’s cool to be at school.

Classes Of The Week
✓ Raise Responsibility Class Points ( > 90% ) – K M, KG, 2-3 B, 2-6 J, 5-6 W & 3-6 C
✓ 100% Green students – K M, KG, 5-6 M & 5-6 W
✓ Attendance – KG

Superstar
This week’s Superstar is Leah Pimm in 2-3 B. Leah has a positive attitude to learning and is always wearing a delightful smile.

Legend
This week’s legend is Sydnie Lindsay in 4-5 S. Sydnie always gives 100% to all areas of her schooling. She is extremely responsible and a great role model of resilience for all.

5-6 P Mason Underwood, Brady Adams, Jarvis Doody
5-6 W Angus Reymer Dougherty
Harvey Taylor Langford, Kirriki Pisano
Osland-Johnston Latoya Stone, Tessa Stephens
Robertson Brady Adams, Anthony Reardon

School Banking
School Banking starts again this Thursday 3rd March. Bank folders need to be given to class teachers by 9.00 am in the morning.

There will be another registration day for Kinder and new students later in the term.

Thank you to the families that have taken the time to fill in and return the new Emergency Cards.

Learning for all at North
Please remember that it is IMPORTANT that you take the time to fill out the card as then we have up-to-date information about your child. Often people change phone numbers, addresses or emergency contacts and forget to let the school know, if there is an emergency involving your child at school it would be horrible if we couldn’t notify you because of the wrong number.

**P & C News**

**Easter Raffle**
Thank you to all the families that have returned their tickets, taken extra books and donated some Easter Eggs for the Raffle.

If every family donates just one egg we will have some awesome prizes. Donations can be left in the front office.

Tickets can be returned to the box in the front office. The Raffle will be drawn on 24 March and tickets are due back to school by 18 March.

**Community News**

**Celtic United Soccer Club**
Would like to invite valued current players and new players to the Broken Hill Soccer Association 2016 season.

Junior Vice president: 0448 756 012
Senior President: 0499 321 863

**St John Ambulance**
St John Ambulance Aust (NSW) Broken Hill Cadet Division is opening its doors for new members to come along and join the Division.

Are you between the age of 8 and 17 and have an interest in doing something good for your community and helping people in times of need plus have fun doing it and form friendships that last a lifetime. If your answer to these questions is yes then the St John Ambulance Australia (NSW) Broken Hill Cadet Division wants to hear from you.

St John Ambulance Australia (NSW) Broken Hill Cadet Division meets every Wednesday evening from 6.45pm to 9pm (except school holidays) at the St John Ambulance Hall McGilvary Drive (over railway line on the way to the Broken Earth Cafe) commencing 10th February 2016. The first half of this night will be an information night for Members. Members will then be put into their groups and Parents/Guardians are welcome to stay and observe the running of the Division if they so choose to.

Also there will be a Parents/Guardians meeting at 7pm to discuss what is planned for this year and the welfare of your children. Unlike other organisations there are no positions to fill so please come along and listen in.

Further details can be obtained by contacting Superintendent Sandra Haring on 0419 408 132.

Learning for all at North
The simplest way

to understand UV radiation!

Did you know?
• UV is not linked to the temperature and can be high even on cool and cloudy days.
• Too much UV from the sun can cause sunburn, skin damage, eye damage and skin cancer.

Here are our 2 top tips for you!

• **Use the SunSmart App**
  – To find the daily UV level for your area and recommended sun protection times. The app also has a sunscreen calculator to find out if you’re using enough sunscreen.

• **When the UV level is 3 or above** – Protect your skin in 5 ways. Slip, slop, slap, seek and slide.
